FEATURES

The ZERO-X Blitz Racing Drone has been purpose built using the latest digital brushless motor technology to deliver lightning fast speeds reaching a top speed of 72kph. Designed to compete in head to head racing events, the Blitz is extremely agile and highly manoeuvrable, perfect for performing aerobatic manoeuvres at high speed to overtake competitors or deliver exciting aerial acrobatics routines. Blitz's built in 720P High Definition camera can record both video and still images even at the dizziest of heights and capturing spectacular aerial shots is all done with the push of single button.
